STEELTRUST BUILDING SYSTEM LTD.

Safety First Construction

ABOUT US

Steel Trust Building System Ltd. is a large pre-fabricated steel building company & which has served whole Bangladesh since 2006. This is a great opportunity on our part to introduce us as one of the fast growing pre-engineered steel structure builders. We provide structural solution as well as engaged with supply, fabrication and erection activities related to pre-engineered steel structure. On the other hand, we also supply steel related materials such as steel sheet panel (for roof & wall), H/I Beam, Decking (Bondeck XP), Steel Rafter, Lipped C-Purlin, Lipped Z-Purlin, Anchor Bolt, Structural Nut-Bolts, Fasteners (Screws), Poly Foil Insulation, Sag Rod, Translucent (Transparent) Sheet, Angle Bracing, Cable Bracing, Steel Door, Canopy, Natural Ventilator, Ridge Ventilator and mostly all the materials of steel building constructions. Strategically, we are very much concern about the quality of the products, competitive price level & customer oriented commitment. Further to be mentioned that, we are ready to provide necessary engineering support in lading drawing, design, site supervision, consultancy services pertaining to steel work. In conclusion, we take the opportunity to state that in the event of any relevant technical queries, our end is always available to cooperate with you, in the interest of long term business relationship. We offer state of the art steel building solution through turnkey steel building system. It is the most specialized steel building firm for Residential & Commercial industry in Bangladesh. We offer 360 Interactive, highly professional, innovative & dedicated services all over Bangladesh. Steel Trust Limited Transforming your dreams and abstract ideas into full-fledged tangible ones, we also specialize in customized furniture's and appliances, completely based on your preferences and choices. In our design & solution we prefer to use new technology and material must be eco-friendly. Our concept of decorating and spacing your steel building balances on the aspects of architecture, environmental psychology aspect. We are very innovative in picking the color, style and trend, all the while ensuring it to align with our customer's needs. Our expertise in designing commercial & residential space has always been successful in generating a positive vibe in and around the place and among the people. Our services are based on planning, designing, project management, decorating, customized services, calculating project cost, supervising, consulting, quality control, budget monitoring and co ordination of the entire project.
